Dropping News from the Meaford Pickleball Club into Your Kitchen!

## Drop Shots!

### Grant applied for...

No word back as yet on the ParticiPACTION grant application. Here's hoping! We have also applied for another grant from Grey Bruce Foundation.

### Court Hosting

Love to play pickleball? Why not help host a game time slot this year and be a Court Host? Please contact Susan Pearson at [susan1947pearson@hotmail.com](mailto:susan1947pearson@hotmail.com) Hosts do one or two 2 hr sessions a week. Greeting, setting up the nets, helping with game rotations and generally being ambassadors for this great game is the job description. With potential for 9 courts this year we could use some more help. Thank you!

### Pickle Passes...

Are a simple way to pay for your court fees...

First, if you bought one last year - it's still good this year. If you are not able to play we'll gladly refund you - just be in touch.

Second, new passes can be bought when you sign up this year or at the courts from the Court Hosts.

Third, we anticipate being able to sell additional passes online when the new merchandise system is finalized with PCNS.
