2022 Membership Renewals:

Our commitment to join Pickleball Canada in 2021 has us participating and using a new member management system called PCNS. Renewal emails will be sent out from PCNS on December 1. These emails invite you to renew with Pickleball Ontario and Pickleball Canada. Our Club membership renewal happens simultaneously as well. Anyone who joins or renews in December 2021 will not have to renew again until December 2022. Another great pickleball deal...

The 2022 Rates are as follows:

Meaford Pickleball Club	- \$40.00
Pickleball Canada	- \$10.00
Pickleball Ontario	- \$10.00
Total:	- \$60.00 per person per year.

For any who signed up between September and November 2021, under a Seasonal Membership of 4 consecutive months, we will contacting you directly to advise you on the renewal process and rates.

Given the costs of renting spaces to play and various expenses related to court maintenance, programming and equipment etc., our annual fee has been raised to \$40 for the year 2022. Thanks for your support by being a member of MPC.

Memberships are a part of the income stream that helps us as a Club so please consider renewing in the near future.

**A big shout out and thanks to all our members who joined in 2021.
We now have 107 members!**

More Scheduling Challenges!!! (see next page)

Thanks for your patience as we sort out the schedule. Some factors:

- December is busy with other bookings at the Community Centre and occasionally we get bumped.
- Dec 14, 15, 16 and 20 are conflict dates so our sessions are restricted.
- Given the low attendance on Tuesday and Thursday afternoons (1-3 pm) we will be cancelling those times starting Dec 7.

New Executive Members:

Please welcome Lee Ogden and Bruce Ross to our team. They have both agreed to volunteer over the last month or two and we are delighted to increase our capacity to serve the club in this way. Please note: headphone attire not required at Executive Meetings!
